“ Jerry was always a gentleman. I can remember many of our family gatherings from holidays to vacations. Are family would get together at my house where there was always a party going on. Christmas sleep overs were the best we had so many relatives that they slept on the living room floor n wherever there was room. Jerry will surely be missed. 😊💜

Gerry was my younger brother of 11 years. I went to a local park often to jog and he always went with me and enjoyed the swings, slides while I jogged. He also, enjoyed amusement parks. Olympic Park in Irvington was a favorite. He loved our dog Blackie .After I was released from active duty in the Air Force I got him a job with a profession Engineer in Jersey City where he learned some surveying before looking for other opportunities. He took on his health problems with faith and effort. Did not see much of him and Sis when they moved to Florida.
