“ *It is with a heavy heart we post this message in memory of our dear friend, Jerry. Jerry had a zest for life that we always admired. He loved his "big boy toys", i.e. big truck, antique cars, lawn tractor, RV, and more. It was one of the things we admired most about Jerry, he knew what he wanted and he went after it. We met you and Bonny some 18 years ago when we became neighbors. We remained friends even though we all moved to different streets and even different cities. You will always be in our hearts and we will never forget you. May you rest in peace. Diane and Cliff Stephens*

“ *Bonny, We share a feeling of loss with you and others who knew Jerry as a friend. His tongue-in-cheek humor was not only fun but also was often used to make a point and offer advice that was well-received. May God bless and comfort you. You are not alone. Steve and Nancy*
