“ *Thinking of you all as you bear the parting of 'Junior' Gerry. Memories linger for a lifetime of special days of our youth, and his cute long curls as a child. Now, as an older man he left a valued heritage for his family and friends. Kind thoughts of sympathy. Betty Minneapolis, MN*

We have many great memories of all the times we spent together with your family, living in Golden Valley, spending time at your cabin in Wisconsin, and especially those ski vacations out west. “ I am so sorry to read this obituary. I didn't know you well, but always knew we were related. My folks were Bob and Laurel Nelson. I am the third daughter, and find myself in Chippewa Falls, WI now. My husband also recently passed away. I always enjoyed hearing of Jerry and Darlene Spangler and of your comings and goings, and appreciated your faithfulness. There will be so many good friends and better memories; may they sustain you though this period. I understand the loneliness, but these will be the things that surround you with courage to go on. Peace and love to all who are missing Jerry.
