“ Dear family of Jerry Stevens, I worked closely with Jerry at Hawthorn Center when I first started working in the special education field in the mid 1960's. I considered him to be wonderful person, friend, confidant and mentor. I observed (and remember) him to be an exceptional teacher, who was adored by his students and his colleagues. Jerry made a positive impact on my personal and professional life in too many ways to adequately express. I feel it was an honor to know and work closely with him. I am saddened to learn of his passing. Dr. Tim Krug, Retired Special Education Administrator.

“ Jerry was a dear dental patient of mine at Dr. Burbank's office along with his lovely wife Mary. I adored him! He brought joy to my day, warmth, a big hug. We had years of conversation and friendship that I will treasure for a lifetime. When I read of his passing I stood in my kitchen crying and feeling such a loss. I thought to myself, if this man could leave this impression on me when I saw him only 4 times a year, I can only imagine the loss those around him daily must be feeling. He was a GEM..... I will miss you dear Jerry. xoxoxoxo Hugs to you Mary, we love you both.
