“ Our sincere condolences and prayers for you Ray, as well as your children whom I had the privilege of knowing during their high school days. Gerrie and I were work mates at SSHS for 10 years and I will always have fond memories of our working relationship. More important though, was our shared faith in our Lord and Saviour, whom Gerrie gets to be with before all of us she left behind. May God bring you peace and comfort during this time of sorrow. Love to you all and God's Blessings. Harry & Selena

“ To Ray and all of Gerrie's family. I am so sorry for your loss. I know how much she loved all of you and how much she was loved. Since the late 1960's I've considered you and Gerrie one of my heart friends. Although we didn't see each other as often as I would have liked, you are always in my heart, but never more than now in your time of loss. Our thoughts and prayers are with you. Love, Dolores and Richard

“ Ray, Mike, Matt, John, all daughter-in- laws and grandchildren: We want you to know how sorry we are to hear of Gerry,s sudden illness and passing. She was a special Christian friend. Only weeks ago we shared memories of working together at school and cub scout leaders and catching up on each others children and grandchildren. You know how much she loved you all. but more importantly, she loved God and is at peace with him in heaven . We are praying for your family.
