

Geraldine Joyce Traub

March 26, 1930 - July 20, 2018

Geraldine Joyce Jane Francis Oleson Traub left us on Friday, July 20 to journey home to her true love, Donald Traub, who had passed on Christmas Eve, 2014. Up to his passing they had been married 66 years.

She lived a wonderful and happy life of 88 years, during which time she inspired many people, bringing laughter, love and rays of sunshine to them. Even in her later years, blind and residing at Ruleme Nursing Center she counseled and comforted others. Not only the residents but the care-giving staff as well, always ready to offer her wisdom experience and her great sense of humor. That, along with her extraordinary generosity, love and acceptance toward everyone, made both the residents and staff love being near.

Her lifelong Catholic faith gave definition to who she was and she exemplified the teachings of her faith by always offering encouragement and hope. She was an incredible homemaker, wife, mother, grandmother and great grandmother. She had a multitude of talents, learning whatever it was she desired to accomplish. She was an incredible cook, seamstress, gardener, and also reupholstered and refinished many pieces of furniture. She was a very talented artist and painted many beautiful pieces of art on canvas, wood and other items. All who met her were blessed to have her in their lives.

She is survived by her four children, Shelley Habel, her "Shelley Bean", Don Traub, her "favorite son", Dana Weaver, her "Dainty Doll", and Jody Williams, who will always be her baby. She was extremely proud of her 8 grandchildren, 13 great grandchildren, and one great-great grandchild, telling everyone about their accomplishments. We would like to thank everyone involved in our mother's care for their love and thoughts and prayers. In lieu of flowers please consider a donation to New Vision Services for The Blind, or The Cornerstone Hospice House.

Arrangements entrusted to Beyers Funeral Home and Crematory, Leesburg, FL. To add a condolence, please go to www.beyersfhc.com.

“ *Don and Family - I was never fortunate enough to meet your Mom in person; but heard conversations you had with her on the phone. I know she always made you laugh. You always told us how great she was and know she will be missed by many. She is happy now with your Dad and Amanda; and I know Larry greeted her with open arms. Love, hugs and prayers for all of you.*
