“ Dear Peggy, I read with sadness in the Poughkeepsie Journal about Jerry's passing. Although it has been a LONG time since we have been in touch, I fondly remember all the help you gave me at Toy Town, and your wonderful sense of humor. My second husband, Dick King, died about five years ago, so I understand what you are going through....especially at this time of year. Please accept my sincere condolences, and know that I'm thinking about you! Love, Stephanie (Rose) King
