“ *Dear Jean and Family,
I wanted to give you a short note how Gerald was so important in my life when I lost my wife.
I meet Gerald thru the Shrine Club and the Jesters. Gerald walked me thru the ropes thru initiation with the Jesters and was always there to support me, I needed it. Shortly there after I lost me wife of 40 years. He always called to check on me supporting me in every way a dear friend would. We sometimes rode to Shrine/Jesters meeting together like others talking about old times. Later on we starting shooting pistols together after having lunch and talking about our families. He was so proud of all of you especially Jeannie as he referred to her.
Gerald will be missed.
