“ My heart and prayers are with you Father John and Jim and family. I will remember Gert and her humor and wit. One special memory is when she attempted to braid palms. She had the entire group in stitches. She was a beautiful lady both inside and out. The time I was able to spend with her at North Campus Rehab was very special to me and the joy she brought to Helen Deem will always put a smile on my face. May she rest in peace.

“ To Father John & Jimmy: I am so sad to read of your mother's passing. She was one terrific gal and Helen Deem and I sure enjoyed visiting with her. She will be greatly missed. My prayers go out to you and the family. She is in the best of hands and God has surrounded her with those loved ones who went before her.
