“ Dear Bullock Family, My name is Winter. I am a volunteer in an international volunteer work. I use the Holy Scriptures to comfort my fellow man. I wanted to offer my condolences to you and all the surviving family. I know the grief can be overwhelming at times, perhaps the following scriptures will help. I wanted to remind of what Lord Jesus said or made reference to when he was on the earth: Isaiah 26:19: "Your dead will live. My corpses will rise up. Awake and shout joyfully, You residents in the dust! For your dew is as the dew of the morning, And the earth will let those powerless in death come to life. Mark 12:26: 26 But concerning the dead being raised up, have you not read in the book of Moses, in the account about the thornbush, that God said to him: 'I am the God of Abraham and God of Isaac and God of Jacob'? These are only a few of many. However, I pray these verses bring you comfort. My Sincerest Sympathy, Winter Gainey

“ *Buster was truly a good man who enjoyed life on his own terms and condition. He always had positive things to say, and a sense of humor like no other. He exemplified what a good husband, father and grandfather could be, and boy, what a reunion he must have had with Vera, Alma, Charlie, Angie and others! I am proud to have known Buster and I am a better person for it. Rest in peace Buster, you are getting a well-deserved rest!*
