“ I remember fondly living next door (house behind) the Cales family. I was in first grade when we moved to Fruitland Park and found out the school principal was my neighbor. I always had a great time visiting with the Cales. Mrs. Cales will be missed. Roy and Conni, I pray that you and yours will be filled with the comfort and peace and the assurance of Christ Jesus our Lord.

“ I Rejoice that "Ms. Cales" now resides in the Lord's house; I Rejoice that her illness was brief; I cry because she was special; I cry because she was more than a friend and I will miss her; I cry because of the heartache her family feels; I smile because she was kind, she believed in me, she was proud of me. I smile because of the gratitude that I have for her and her late husband. I smile because we all gained by knowing her. I smile because, well, "she would likely have some joke to help me right now. She's in heaven now but for a brief time we all enjoyed her as an angel on Earth - as she was truly a gift to us all. Connie and Roy, I pray for each of you and your families during this time. In time, I know that there will be more smiles than tears. Thank you for sharing your Mom. God Bless, Beth Ann
