“ I will miss my Gladys. She came to me weekly to get her hair done. I loved her southern charm and kind heart. Gladys always keep me on my toes. I never knew what she was going to say. She had a quick wit and a great sense of humor. I will truly miss her. She was one of a kind lady

“ The ladies of Inland Fruit Co. packing house lined up for a photo back in the hey day of shipping fruit around the country. Aunt Gladys and my Mom Bernice Crosby are far left in this picture.

“ Aunt Gladys was always at our house on SunnySide during my adolescent years. She and Mom were very close and it was a difficult time for her when Mom crossed over to the other side. I believe both of them are having a wonderful happy reunion now. I have a lot of fond memories of Mom and Aunt Gladys working together at Inland Fruit Co. packing house after school was let out. I was taught the value of a nickle during that phase of my life by both of them. One box of fruit packed perfectly placed on the conveyor gets you a nickle.

I was allowed to take our Model A (fun hobby car) out for driving lessons on SunnySide only, as long as an adult was with me, Aunt Gladys volunteered many times to ride shotgun. It was fun, happy times.

We did not see each other very often after I moved away from home but, the memories stayed strong and they always will.

“ My sincere sympathy to the family. I have spent many functions at Debbie's home with Gladys. We have shared holidays and birthdays. I always enjoyed those shared visits.
