“ Gladys was always the life of the party and always made you laugh and smile. She could keep up with the best of them on the dance floor up to the last year of her life. Her passing has left a HUGE hole in her family's heart and all that knew and loved her. She was a kind, caring, and loved her family and friends. We used to love to take her to a party and she was always ready to roll with her purse and lipstick on! RIP Gladys, you are with your beloved Don now and I shall never forget your kindness you've shown to me all these years... I love you, I miss you and I know you will be watching over all you loved..... .. Pinkies up, down the hatch..

“ I will miss you always, Grandma Gladys. So many of my very precious childhood memories have something to do with you. Remember jumping the pogo stick in our driveway in Tallahassee? Or riding bikes together? You were always such a go-getter, and to this day I think you may have been in better shape than I could ever hope to be. Every moment with you was a treasured moment. I will miss you always and hope one day we can be together again. Love, Granddaughter Rachel
