“*Mama, Christmas is near and thanksgiving has passed and it was our first year without u here, the holidays are definitely the hardest with u gone... I miss your voice, your smile, your hugs and your spunky attitude. . The day u left was one of the hardest days of my life.. u may be gone but u forever live on in my heart. . I never thought I'd lose u so soon.. I think of u everyday, everytime I see a beautiful butterfly pass by me or sit outside on a nice cool breezy day with the trees swaying in the breeze I think of u, I think of your smile and try so hard to replay your voice in my head because I don't ever want to forget the sound of your voice. I look at your pictures and I'm sad that your never coming back, I miss my mom I miss our conversations I miss hearing u say I love u, I miss your hugs and seeing your tears and wiping them away because your so happy we stopped to see u.. u were a big part of my life and u took a big piece of my heart with u when u left us, I wish I could have u back for at least an hour just to tell u how much I love u and how u meant the world to me and just how much I appreciate the wonderful things u did for me.. I want u to know that every holiday u are alive in my heart and I will always keep your memory alive with every beat of my heart.. I will remind the kids of u and remind them how special u were.. rest in peace mama, I love and miss u so much.. Merry Christmas in heaven.. kiss grandma and grandpa for me.. we'll all see each other again someday.. <3###GESTURE###*

“ Not a day goes by that I don't think of u mama, I miss u more than you'll ever know.. Your birthday and mothers day has just passed and it was the first year without u here.. They were definitely my hardest days of all days.. I miss picking up the phone and hearing your voice, I miss your hugs, and most of all I miss your smile.. :-( My heart will never be the same without u.. Your passing was so sudden and I never got the chance to say good-bye, u passing the day after the baby was born has been so hard to take in, I wish he could've grown up to know how special his grandmother was to all of us.. U may be gone mama, but I promise you'll never be forgotten, I pray your watching over us, and your in a more peaceful place, God definitely gained a beautiful angel.. I love u forever and always mama, may your beautiful soul rest in peace
