“ Dear Glenn "Up in Heaven", Just a note to let you know we are all still missing you, so much and would give anything to have you back here with us. Remember all the times you were here to give a helping hand or a good piece of advice to me or our good neighbor, Margie? I asked Margie the other day if she missed you as much as I do and she immediately started crying. That's why we haven't been down to visit Jean, yet. We don't want to upset her with our crying, but we are still here for her when she needs us. Margie left the chair you used to sit in when you got tired next to Chuck and Rose's house and she asked me if I wanted her to move it and I said "Ooh no, it's like our memorial to you". I think of you every time I look out the kitchen window and see your chair. I promise you, we will go to visit Jean! It's just too hard right now. I can just hear what you are saying right now, "Get your butts down there, now". We will, I promise. You were an awesome presence in our community and we all miss you so. God Bless You, Glenn, Jean & Laddy Brenda

“ Dear Jean & Family, My most sincere condolences in Glenn's passing. We are all going to miss him so much. He was a great asset to this community and now a big part of it is missing. I just can't imagine not seeing him and Laddy out in the field playing ball. We are all here for you. Just call when you need us. Just think, Glenn's probably playing with Robin, right now. I love you, Glenn & Laddy, Brenda

“ Dear Jean & Family, There is such a sadness around the park. Mr. "B" was such a wonderful man and our lives are so much richer for having him in them. We know our sense of loss cannot be compared to that of you, his family, though we also loved him very much and will miss him greatly. God bless you and keep you in this very difficult time and please let us know if we can do anything to make this a little less difficult for any of you. With much love and sympathy, Chuck, Rose and Nita (Mama).
