“ Dear Ulah, We were sorry to read of Glenn's passing. Our thoughts and prayers are with you at this time. We haven't spent that much time with you, but we have both always had such fond feelings of both of you. Glenn used to try to get Sonny to go to the woodcarving club, and I am so sorry Sonny did not. I know he would have enjoyed it, and he needs to get out and do more. Ulah, you and Glenn were one of my favorite couples that we knew. You both were always so kind and nice to us, and you were both so kind. Please know that we are here. I would love to help you get through through this very difficult time. Please call me if you would like to go to lunch in the coming days. I would love to spend time with you. God bless you Ulah. Cherish your memories of the wonderful man you married. RIP Glenn. You will be greatly missed.....
