

Gloria M. De Libro

January 25, 1947 - June 11, 2024

It is with great sadness that we announce the passing of Gloria De Libro on June 11, 2024. She passed away peacefully, at the age of 77, with her daughter at her side.

Gloria was born on January 25, 1947 in Freeport, Long Island, New York, to Caroline Mink (Mackey) and George Mink. She grew up in Bellmore and attended Wellington C. Mepham High School.

Shortly after High School, in 1966, she married Daniel De Libro, and together they built a Family. Gloria had 6 children; one girl, and 5 boys. Later the family relocated to Florida, where Gloria volunteered as a Teacher's Assistant at the local elementary school her younger boys attended. She became a devoted member of a local Baptist Church, and developed several new meaningful, long-time friendships. She thoroughly enjoyed cooking family dinners and family gatherings. She took great pleasure in volunteering at the church's Food Pantry as well. Gloria loved to read and study her Bible in the early hours of the morning. She felt fulfilled when she could share the Love of God with the patients under her care, during her career as a Patient Care Tech and Home Health Aide. Gloria retired from Cornerstone Hospice in 2020, at age 73, and was a model employee, as she was known by her coworkers and friends as a kind and compassionate, God-fearing Woman, who always went the extra mile.

Gloria is survived by her beloved Husband Daniel, her daughter, Gina (Gregory) Ferguson, her Sons Daniel Jr (Sarah) De Libro, Christopher (Carey) De Libro, Andrew De Libro (Amanda Fields McPherson), Timothy (Dava) De Libro, Nicholas (Cody) De Libro, her Siblings George Jr. (Patricia) Mink, and Joann (Michael-deceased) De Libro. Many loving grandchildren and nieces and nephews will also cherish her memories. She was predeceased by her parents, and 2 brothers, Eugene Mink, and Ronald Mink.

Gloria will be remembered for her kindness, generosity, and unwavering love for the Lord, and her family and friends. She touched the lives of many and leaves behind a legacy of treating people with dignity and respect, and offering encouragement to the hurting.

A Celebration of her Life/Memorial Gathering will be held on Saturday, June 29, 2024 at 2:00pm at New Life Presbyterian Church, 201 E. Lavista St., Fruitland Park, FL 34731.

Gloria's family would like to extend a special thank you to staff members at North Campus Rehabilitation and Nursing Center for the special care they provided during her final days.

Arrangements entrusted to Beyers Funeral Home of Leesburg, Florida.

“ Gloria DeLibro was a true Woman of God and a wonderful mother-in-law. I miss her dearly, truly I can say personally that she was a very loving, kind, unselfish God fearing woman who would help anyone if she could. To be absent from the body is to be present with the Lord. She will never be forgotten and always will have a place in my heart. I love you Mom, Love Greg.

“ Grandma DeLibro, I’m going to miss you dearly. Although we were brought together from a marriage and not blood, you never looked at me any different. You were my grandmother and you always looked after me. I spent my childhood, growing up and seeing you and grandpa DeLibro all the time. Many memories were made in your house and so much happiness and love was shared. I’m so thankful to have been apart of your life. And I’m even more thankful that you got to meet my children and love them the way you loved me. Your love knows no bounds, you have the biggest heart and love for Jesus. I know you’re not suffering anymore and your dancing with the angels and we will see you again. 🙏

“ I will always remember the kindness, endurance, and quiet strength of my grandma. She was a walking example of resilience and endurance but God, in all of His great wisdom, said that it was time for her to come back home. She will be missed and memories of what she overcame will inspire. She is the STRONGEST woman that I ever know.

“Gina, I cannot express enough, my sorrow to hear about Aunt Glorias passing. Please accept my heartfelt condolences for you and your family in this time of heartache.

When I first read your tribute for Aunt Gloria on social media, I was immediately saddened. She was one of the kindest human beings I have ever had the privilege of meeting. Even before we were introduced, I could see she had the most kindest eyes that I’ve ever known, and after getting to know her I realized that same kindness was in her heart. She literally had a heart of gold and in writing this, it just occurred to me: “That’s why God gave her that beautiful Golden hair.”

Now, as you are feeling this loss, please know I am keeping all of you in my heart and prayers. The sleepless nights will turn into Beautiful Dreams of her, and your moments of sadness will turn into Loving Fond memories of her smile, and the love she gave selflessly to everyone she knew.

One thing I can guarantee is the Love you have for Aunt Gloria will only grow deeper each day and she will always, forever be by your side.

“ I met Gloria for the first time at Bayview Rehab center, we instantly had a connection. We talked, we prayed and most of all we laughed. I was an assistant activity director and her daughter Gina was a nurse at the center! We also became friends very fast. We both were from New York! We reminisced about the good old days growing up in New York. We talked about how we traded in the blizzards for the lizards! She then got to go home and we still remained friends. She was loving and caring to me and most of all, prayed for me. She was a godly woman who inspired me. She I will be missed but I know I will see her again. May you now rest in eternal peace, your work on earth was done and as God promised, you are in his heavenly kingdom. Love you forever, Margaret and John

“ My heart so breaks for the loss of mamma. I've called her mamma since I met her through Gina, my sister in the Lord in the 90's. Mamma was and has always been such an awesome influence and example as a mamma and wife, and has encouraged me and many others as she was a true Woman of God, in so many ways.

I pray for Gina and Pappa first and the other children and grandchildren and great grandchildren. that You Lord Jesus, would wrap your arms around them all, especially my Gina and Pappa. Draw the family even closer to You as only You can bring healing from such a great loss as this.

Rest in Peace, till the Trumpet of The Lord sounds sweet mamma, and we will be gathered together and see you once again. I love you <3

“ I met Gloria and Dan through Grace Tabernacle Church. Gloria was always the first person I looked for when I walked through the door. She was always sitting at a table ready to great every one. I loved her hugs! So warm and inviting and when you talked to her, you had her undivided attention. When you asked her how she was doing, her answer was always the same' "I'm blessed". She will be missed so much.

“ When I think of Mrs. Gloria, the first word that popped in my mind was warrior because she is just that. She has the spirit of a warrior and she never gives up... Even now she is fighting for her family and fighting for love. I remember the times when Gina would go live on Facebook, and her mom would be right there to cheer her on as her biggest supporter and that is the second word that comes to mind, loving supporter and friend. There are so many other words that could describe Gloria but none like God chaser. She taught her family exactly what that means and what it looks like so we should all take a lesson and follow in her path. I love Mrs. Gloria and forever will love her spirit.

Gloria was a special friend and sister in Christ. I will cherish her memories forever. It is rare to see someone that loved God and her family as much as Gloria did. Her love showed in her and you knew it wasn't just talk. She was the salt of the earth. I will greatly miss our long conversations but it is a comfort to know she is in the loving arms of Jesus. To her family I send lots of love and prayers. I know we will be with her again as long as we keep our eyes focused on Jesus Gloria did.

I know you are not suffering anymore and you are with Jesus and your parents and brothers, but my heart misses you and loves you and longs to hug you and hold your hand, to see you smile and have our Mom and Daughter sleepovers. I loved to make you laugh. You were such a loving and giving Mom and you were a fearless Warrior and Woman of Faith, a true Inspiration to me, and whenever I need you, I'm just going to listen for your voice of reason and comfort, I know I'll hear you guiding and reassuring me like always. Thanks for believing in me no matter how many times I may have missed the mark. Thanks Mom for loving Jesus and walking the Walk. Thank You God for the gift of MY MOM. Sister Gloria De Libro, was a beautiful lady inside and out. I can call her my sister because in the Lord, that's exactly what she was. No matter what she was going through, you could be sure to see her smile. I saw it a few weeks ago and as always we talked about the goodness of the Lord even then. I got to hug her, hold her hand and love on her and that was truly a blessing to me. She will be missed by many because she was loved by many ... See you again my sister in the Lord!!!!!!
