“ Your parents were a huge part of my life even before I said "I do". Your mom was so laid back and easy to talk to. She had me feeling like I was part of the family from the get go. She seemed to always try to keep Uncle Jack under control but she always giggled after trying to get him to stop heckling grandma or asking Parveenee from next door what he picked up at the store. I have missed them both for a while now just by living far away. We will be altogether again one day and we will resume the laughter. You have wonderful parents and should be so proud! I loved them both very much and eternally great full that I can call them family. God bless both of you and your families!

“ Aunt Sissy was the sweetest lady. I always enjoyed spending time with her at Grandma's house. She was my friend! We had such a good time talking things over and laughing. Condolences to Debi, Daryl and their families. I know your mom played a huge part in your lives and will be missed terribly. You are in my thoughts and prayers.

“ I am so sorry to hear of Gloria's passing. She and Jack can be together again now. I remember her as a sweet woman. She was always trying to keep up the family tree and we shared a love of crafts. I used to buy things for her before Internet shopping became convenient. She was always so good to my grandmother Freda Tignor. She and Jack managed to visit her just before she passed. My condolences to your family.
