“ Dear Parrot Family, I am so sorry for your loss. My deepest sympathies to you all. My name is Winter. As a Bible student I, encourage my neighbors with the scriptures. From personally experienceing family members to death, there are a few scriptures that comforted me. Reading and thinking about these along with prayer will help everyone through the grieving process. Jesus made a wonderful promise at :John 5:28-29, Acts reaffims this at Acts 24:15. Acts 17:31 tell us it is a gurantee. Lastly Revelation 21:4 tell us that death will be no more. These scripture brought me so much comfort, I pray they do the same for you.

“ Where do you start! Being so far away is really hard when a person that you really love is in need. This lady was there for me when no one else was. I always knew that Ms. Gloria would be there, weither it was a ride home or taking me in to partially raise! She just put me to work and made me feel like a part of the family. For a while there I think I even got an allowance... lol She gave me my first job and first taste of the real world and responsibility. I worked Friday night and went skating on Saturday... She juggled so many things from running with us to running a restaurant to running a household; and she did it so GRACEFULLY. Never once did I hear her complain. I could go on and on about all the fond memories of her and living with her family. I consider myself SO blessed to have been a part of her life and her apart of mine. Now, I have to continue to live my life the way I should so be assured that one day... ONE SWEET DAY, we will be together again. With all my love and thoughts to the Parrott Family~ Loretta
