“ As a little girl I was actually at Gordon and Sue's wedding, and I always thought of them as a special couple. It was always a great time when "Uncle Gordon" visited with my family over the years. He was a special man. I will keep your family in my prayers during this difficult time.

“ I sit here thinking about all the wonderful memories I have of you and the times we got to share. I wonder how I was so lucky to have such a great father. You taught me right from wrong, that you can do anything you want to, if you want to bad enough. You gave me a childhood full of adventure and adulthood where you were my mentor, best friend and father. As I look at your picture I listen for your voice as you say, "Good bye son, I love you" like you did after our evening conversations on the phone. I will miss our calls and visits but I will not forget you. Good Night Dad, I love you. Scott
