“ I am so sorry to hear this, I had no clue that she had passed almost a year ago. She was the most gracious loving person I had every encountered. We always joked about Mrs Grace being our neighborhood welcome wagon. She was friendly and wanted everyone to feel so welcomed into our neighborhood. Such a beautiful lady. She will be missed!

“ I always thought that Grace was one of the most beautiful women I have ever seen. She was also one of the most gracious. My earliest memories are of seeing her at events at the school when I was at Webster, and she always seemed to be dressed just perfectly. She was always ready to help with PTA, etc. Grace was loved by her community as well as her family. Our heartfelt sympathy to you, and prayers to God to send you strength and comfort in your time of loss.
