“ *Aunt Grace, you always had a kind heart for everyone, and never had a bad word to say. You lived a life full of ups and downs, joy and happiness. You always put your family first. We say this from our heart, you were a one in a million woman who worked hard to take care of her family, and was a deicated mother, aunt , sister, and grandmother to all your grandchildren. You are with God now may your soul rest in peace. You will surely be missed, and never forgotten, You will last deep in our hearts forever. May God be with you and your family. Love forever your niece Rosemarie*

“ I remember one special thing about Aunt Grace, whenever I needed a hug she was always there with the biggest, softest hug you could ask for. I have so many fond memories of the road trips we used to take, the fun she always made sure we had when visiting Maine. I remember being excited when we'd hear that Aunt Grace and Uncle Lawrence were coming for a visit. Betty, Billy, Linnie, Wanda, and especially Larry--we had so much fun together. I hope that you all know that we love you and are sending prayers your way. I'm sure that anyone on this earth that has gone to Heaven to walk with Jesus, Aunt Grace has joined them now. Take care of each other in this difficult time. Lean on each other, and most especially love each other as your Mom would want you to. Love, Susan, John Jacob & Aaron

“ I am so sorry. I didn't have the pleasure of meeting her, but after reading about her I can see her influence on Linnie. She gave Linnie the same caring characteristics that she had.You must be so proud of how she reached out and gave to others throughout her life. I know that you and everyone she touched will miss her.

“ A Mother's Heart Her eyes were getting dimmer, Her will was growing weak. She was getting tired, When God began to speak. He wrapped his arms around her, He whispered in her ear, "Its time for you to come with me, There's no need to fear." With heavy hearts we watched her go, Her time on earth was done. A Mother's heart stopped beating, Her illness finally won. Aches and pains have gone away, She's finally at rest. Heaven's where she lives today, Among God's heavenly best.
