You are like a Precious stone with a heart made of gold.

Thank you for the countless memories and life's lessons learned along the way.

Thank you for your unconditional love and everlasting hugs.

Thank you for your wisdom and your grace.

Thank you for the smiles on your face.

Thank you for being the foundation our family was built upon.

Thank you for being there to pick us up when we stumble and fall.

Thank you for being you. I love you and miss you. I look forward to seeing you again someday!

Thank you for the card games, projects, and ideas.

Thank you for just being you.

You were invited into heaven when

Jesus called his angel home.

Your body was weak, but now is strong.

You were tired, but now are rested. My heart is heavy knowing you are not here to make and share new memories. Even though you are not here with us on earth you will always be with each of us everyday in our hearts and or memories.

Thank you!!!!

*“ We are thinking of all of you and keeping you in our thoughts. I have so many loving memories of Homeland Road and Uncle Guy's huge supply of antique items and such. He always let me choose what I wanted. I still have the silver cat pin he gave me. every time I wear it I think of him.

“ Guy was one of the most generous, kind, and honest men I have ever met. He was devoted to his family, kept his sense of humor and no matter how bad things were he never complained. I thank him for his service to his country and allowing us to be a part of his life. If I know Guy, he is already busy getting a place ready for his family in Heaven.
