“ Tante Hannelore was one of the families best friends. Loved like family. Being up here in Canada I would think of her often down in warm Florida. Few years ago I took my kids down one march break and we all had a great time. My kids have many wonderful memories too. I remember many great memories over the years growing up. She was my first babysitter. I have pictures that are priceless from years gone by. There are so many family stories I could write a book. She had an energy about her and am sure she will be greatly missed by many people not mentioning family. You are forever in our Hearts Love you and miss you!
