“ *Dear Ann and Vern and family, Marci and I were very sorry to lose Harold, and we know you must feel the loss even more deeply. I've only known him for about ten years, and unfortunately distance prohibited us from seeing each other very often, but that didn't keep me from coming to know and love him as a very sweet and kind person. His smile brightened a room. I especially remember his sense of humor and his laughter. Marci has always had a soft spot for her uncle Harold, and I've come to share it as well. We're very sorry that you've both had to suffer the loss of a loving brother and devoted husband. We hope that you can take comfort in Harold's memory, and the knowledge that he will always be with you in your hearts. When you feel the warm Florida breeze on your cheeks, or even when you sink that impossible putt....you'll know he's there with you! You have our deepest sympathies. Love, Chip and Marci and the boys.*

“ *So sorry to hear of Harold's passing. It was always a pleasure to talk with Harold at Polly & John's parties while he and Ann were there. I will be thinking of you Ann at this difficult time. Best regards, Paul*
