My father was a self made man. He came from a hard time. Was in the Air Force, went to college. Were he neat the love of his love. They were married 65 years. They had us 3 children. My Father loved sports, mostly golf. And his favorite movies were the old cowboy and shows too. But I remember my Dad just loving Christmas. He was like a big kid too. He loved fooling my Mom. He would do all kinds of things like put rocks, marbles, bricks, little things in big boxes with paper, and so on. He loved the block party in the neighborhood, food, games, the band playing,. He and Mom loved camping and traveling center and the westren states. But they retired to Florida. Where they enjoyed having my Mom's family around and playing golf for 28 years. I joined them for 11 of those years. And when we were in Virginia for the last Christmas all together as a family Mom, Dad, My Brothers and wife's, my Husband and I, my children, my grandchildren. He sat down next to me, pat me on the knee and said, just look at all your Mother and I started. And what will continue on God willing. Dad, I love you though all the bad and all the good. God bless you. I will see you soon to come.

“ Jan, Carol, Mike, and Jimmy my sincere sympathy to all of you and your families. Many of my childhood memories include all of you. I hold fond memories in my heart of Harold. Waterskiing at campground, mini bikes, drums, and all the rook card game nights. Heaven has gained another beautiful soul. May God give you peace and comfort in your time of grief.

“ To the Croft Family,
I'm so very sad to hear the passing of Harold. Our family (McPherson) grew up with the Croft family here in Yorktown VA. We travel different places together, hung out at their family restaurant, and Carol babysit my sister and I, then I babysit her children. Harold you will be missed by so many people. Jan.....will keep you in my thoughts and prayers during this hard time. Cindy Norge - McPherson
