“ I am very sorry for your loss. Words cannot express the grief that you must feel. The pain is very deep. 1 Corinthians 15:26 says that death, which is our enemy, will be brought to nothing. And as for our loved ones who have died, Jesus said at John 5:28, 29 "all those in the memorial tombs will hear his voice, and be be resurrected to life.

A website, jw.org, has information to help you cope. A brochure entitled, 'when someone you love dies is available to you free of charge. You can download it, or just listen to, it is a gift to you. You will receive comforting answers from the bible.

With sincere sorrow for your loss.

“ Please accept my heartfelt condolences. I served with Harry on the USS Coral Sea. Harry and I also shared a condominium in 1987/88 while waiting for our ship to set sail again. Harry was very neat. I was not. We had wonderful conversations about politics as the US presidential election was underway. Harry was a wonderful person and I'm very sorry for your loss.

“ *My condolences to all of Harry's family.*

I was saddened to hear of Harry's passing. The Mayor of State Street was a great friend going back to our days on the Lancaster City Republican Committee. We haven't seen each other in a number of years, but it was always a joy to "bump" in to him on occasion.

I will remember Harry as a uniquely pleasant individual with a quiet strength, mischievous smile and quick wit. My deepest sympathy. He will be missed.

“ *My condolences to all of Harry's family. Met him back in '86. I was a cook in the Enlisted Mess of the USS Coral Sea & got to be friends with him. I was friends with a lot of my Lancaster County "homeboys" & a lot of us knew each other. He was always a very pleasant person to talk to & I always wanted to see him again in the civilian world. That won't happen, but he's in a better place, free of the pain & suffering of this world.*

*God bless all of you,

“ Our debates seem so small now, I will never forget you. Words with friends will never be the same. Sending up thoughts and prayers for your family. Who may very well be struggling to understand. I just know that your soul has been set free. You are all knowing now... I can't even imagine. You will know nothing but peace, light & love. But for those down here who will miss you it will be hard. So I prayed for God to give them extra comfort at this time as in Psalm 34:18. See ya one day Harry, hopefully on judgement day when we all get our new perfect bodies. That one will never give out on you. Til then my friend...

“ I'll always remember the good times with the Mayor of State Street, many of which Sue Blakely mentioned. Never forget our trip on the Rock-o-Plane at the Buchanon Fair or the burning of the shoes. Rest in Peace my friend. I'll think of you often.

“ John, and family. I a so saddened to hear about Harry's passing. We are all in shock. Please know that we are all thinking of you and the family. Especially Jack. I hope he knows how much his dad really loved him, and always will. John, I know you meant the world to him too. If there is anything I can do, please get in touch. I know he was close with his sister, and he always talked about Saturday morning breakfasts with the family. He loved and cherished those so much, you have no idea. I worked for Harry at OneMain in Ephrata. He was quite the unique character. :-) I have so many memories of him. If someone from the family would be able to get in touch w/me, I would appreciate it. Take Care! Harry is in a much better place now, and is with his mom again.

“ *My deepest sympathies to the family and many friends of Harry. I only got to know him briefly for a short time while I was a nearby neighbor of his for about 5 months. He was a gentle soul always willing to say hello and smile. He will be missed here at Lakeside Terrace Park. Thoughts and prayers. R. I. P.*
