“ *Dolores, It is with great sadness that we bid a friend and winter neighbor farewell. We knew Harold only a few short years but we came to know him as a good friend and neighbor. We certainly enjoyed our Monday morning coffee breaks. Harold's loss saddens us but the memory will live on with us forever. God Bless you Dolores and your family for you remain behind with Harold's memory and loving kindness, as Harold ascend's into God's Kingdom of Heaven. Be comforted that Harold is now with our Lord and Savior Jesus Christ.*

“ *Dear Dee and Family: First of all, my sympathy to you and yours. May our Lord ease your grief and bring JOY even in the sadness! I remember many great W.W. classes with YOU and the wonderful "lemon and lime"dress you made for me as we prepared for Sophia Branoff to come to Woodland Mall! I pray you are keeping well. Please KNOW that you gave ME many memories to cherish! In love and sympathy, Judy Pelton*
