

Harriet Carlisle Cooper

April 16, 1944 - July 3, 2018

Harriet Carlisle Cooper, 74, of Largo, The Villages, FL died on July 3, 2018 after a battle with cancer. She was the beloved sister of Sarah Crane, Christopher Cooper, John Cooper (deceased), sisters-in-law Gina Cooper and Patricia Cooper; the fabulous aunt of Robert Crane, Allison Crane, Patrick Crane, Natasha Cooper Rhodes and Samuel Cooper.

After being born in St. Louis and growing up in Baltimore and graduating from Towson High School, Class of 1962, and The University of Maryland, Class of 1966, she settled in New York City. She was a flight attendant for 43 years, 25 of them with Pan Am and 18 with Delta. During 30 years of that time she traveled the world with her sweetheart, Dick, until his premature death.

After a liver transplant and retirement she moved to The Villages, FL to take care of her parents. Upon their deaths she bought a little house that she dearly loved. She came to be known by her neighbors, who all became her friends, as the kindest, most thoughtful of women. She was beautiful and funny, and generous - a lady in the truest sense of the word. She will be sorely missed by everyone whose life she touched.

A Celebration of Life Service will be held at a later date.

“ I was best friends with Hattie when your family lived in Levittown, NY. She was a wonderful friend and was always fondly remembered. You can imagine my shock when I read about her death in our Sunday paper. For the last 8 year we lived five minutes away from each other. I will forever be saddened that we did not have the opportunity to reconnect, but was delighted to learn that she was loved and admired by many.

“ To the family of Hattie Cooper,

We are so sorry for your loss. It is truly sad to think of a world without Hattie. I will always fondly remember her birthday calls. We will sorely miss her sweet personality and her kind and gentle heart.

*Sincerely,
Tony Gmitruk*

“ *My sincere sorrow for you families loss. May these words at Psalms 46:1; 2 Thessalonians 3:16 provide you all the comfort that is needed during this most difficult time. That the love of friends and neighbors be a supportive network of encouragement for you all now and in the days and times ahead. Your family will remain in my prayers.*

“ Dear Hat (sis), Sally is right, you will be sorely missed. You lived your life to the fullest respecting all in your journey. You always looked at things in a positive light, which helped all of us. I have many fond memories of your generosity and kindness. Thank you. Even during your times of tribulation you remained gentle but strong. You were an inspiration to all who knew you. Hat, I know you are at peace now with Granny, Granddad, John and of-course Dick. I am sad knowing I will not be able to see you anymore, but happy to know you are among those who love you very much. God Bless. I love you, G
