“ *To all of Harriets family & friends. I had the pleasure of knowing Harriet for 34 yrs. She was and always will be a combination of so many different people to me. She was my mother in law / mother, grandmother to my son John and his wife Cristina, Great grandmother to their daughter Isabella, and such a very very good friend. We sent many a letter back and forth. We talked about anything and everything. Harriet was a good listener and always gave me good advice. She could be stubborn but she always made me feel better. She spoke to me often about all of her children and her husband Frank. I can tell you all that your mother loved all of you so very much. I know you will miss her, but really only her body has gone. She will be with you always in so many different ways. She is with her son Frank now and also my mother. November 14, will be 4 years that my mom has passed. The following is Native American prayer I once came across, it is one of my favoraites and one I fully believe. I hope it will bring all of you some comfort and peace as it has done for me. " In Loving Memory of Harriet Reed Hitchcock " I give you this one thought to keep... I am with you still, I do not sleep. I am a thousand winds that blow, I am the diamond glints on snow. I am the sunlight on ripened grain, I am the gentle autumn's rain. When you awaken in the morning's hush, I am the swift uplifting rush. Of quiet birds in circled flight, I am the soft star that shines at night. Do not think of me as gone... I am with you still .. in each new dawn. I Love you Harriet, love always Linda XOXO*

“ We know for certain that we never lose the people we love even in death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories and in our lives. We find comfort in knowing that our lives have been enriched by having shared their love. When someone you love becomes a memory, the memory becomes a treasure. Our mom, grandmother and great grandmother was truly a treasure in our lives. We love you more than words can say and miss you even more. Your son Edward, daughter-in-law Lori and grandchildren Kirstin, Matthew and Amanda and great grandson Landon Dale.
