“ Would like to extend my condolences to the Callahan family. know you lost your dad(john), few years back, and now mom. My parents and all regarded her as Vodie, When I seen her picture tonight, it brought back memories of when I was a kid. My mom and dad were always close with them. Again, sorry for your loss. Joe

“ My deepest, heartfelt sympathies to the entire Callahan family. Harriett was an amazing woman who touched many lives with her warmth, compassion and wonderful sense of humor. She was feisty and fun, loving and kind. Although it is hard to say goodbye to someone who endeared herself to so many, it is also an opportunity to celebrate a life well lived. The love that John and Harriett shared and the love they had for their family has been a true inspiration to all those who witnessed it. As you are gathered together, I'm sure that there will be many stories told and memories shared, laughter mixed with the tears. I am reminded of a Dr. Suess quote, "Don't cry because it's over but smile because it happened". Harriett's life may be over but the legacy of her love lives on and that makes me smile. Cathy, Mike, Bob, Shawn and Kevin, I truly wish that I could be there in person to pay my respects to you all. God's blessings and much love...Debbie
