“ *I am so sorry for the passing of Harry, my condolences to his Family. I know too well the pain of losing a loved one and what helped me was Gods promise at Revelation 21:4- " And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Very soon death will done away with and we will see our loved ones again. I hope this comforts you as much as it did me.*

I hurt for all of you and will always hold on to the wonderful times and years that our families shared together! God bless your family as the almighty holds you up now and heals your broken hearts as we are going through another tragic loss ourselves! All my love and prayers to all of you!*
