“ I remember Harry when he first came back to Ind from Texas and we've shared many hundreds of campfires together, one in the 80's on New Years when the temperture was 68 at midnight, The trips to taco night and countless boat trips to float back and just reminess.How many meals have I had with Wilma's good cooking then sit around for hours just talking? these things will remain with me forever in the fond memories section, Harry had a postive impact in my life and I learned so much from him...I pray for Wilma as he was the light of her life They both loved each other so much, you cannot reflect on one without thinking of the other, I've never ever saw two people more in love. Harry has left us in body, but he will live on in our hearts and minds. Goodby my Friend, You are loved

“ *Dear Wilma, I left the first condolence, but it is not here. I wanted you to know I so much enjoyed Harry in grade school at MtOlympus. Also that my late brother Fred Kolb really loved Harry. Harry had a hat he named "Clyde Lid" Fred had a hound dog he named "Clyde Lid" after Harry's hat! We even had a "Clyde Lid II" ! The world is a better place for having had Harry around for so many to enjoy and appreciate. Sincerely, Sally Bruner*
