“ Diane please know how much we are thinking of you and your family. I always loved coming to your house during high school. Both your parents were always so sweet to me. I am so glad that you were fortunate to be able to go and see him. I just don't have the words to express my feelings for you. How I wish I could be there. My prayer is for you to feel comfort and love as you go through this sad time. My love to you all.
