“ I am so sorry for the loss of Harry,my condolences to his Family and friends. I too know well the pain of losing a love one in death.What brings me great comfort is Gods promise at Revelation 21:4-"And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Soon there will be a time when death will be done away with and we will see our love ones again. I hope this brings you as much comfort as it did me.
