“ *I am so sorry for the passing of Harry, my condolences to his Family. I know well the pain of losing a loved one in death. What helps me is God's promise at Revelation 21:4"-And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Very soon death will be no more and we both will see our loved ones again. I hope this brings you comfort and hope during this difficult time.*

“ We've lived in The Villages for 20 years and have known Harry for just about that long.
Harry loved our dogs... he'd sit in the garage and as we walked past his house and he would great our dogs with treats. We so enjoyed talking with him as he played with our dog.
He was the most caring and outgoing neighbor. He really loved life and lived it to the fullest.
He's going to have lots to share with Barbara as they are reunited.
Rest in peace Harry... you're one of the good guys and will be missed.
