“ *It has been a very long time since I have seen any of you but I remember you all very well and what good friends you were with my mother and daddy. I saw the obituary for Mr. Hubbard in the Dothan Eagle and just felt the need to let you know that we are all thinking about you and that you and your family are in our thoughts and prayers.*

“ Harry, you will be missed. I have been blessed to know you and your wonderful "ANNE" for the last 19-years. Always a twinkle in your eye and always a kind word. Oh what a dancer you were, you made the rest of the guys jealous with your smooth steps. My wife would always say that she wished I could dance as good as you. May your garden now grow tomatoes as big as grapefruit and collards as big as washtubs. God's grace for a great guy. Greg & Margaret Taylor, Panama City, Fl. Greg & Mar

“ Annie Ruth, I was so sorry to read Harry's obituary in the Dothan Eagle. You are starting to go thru what I have been going thru. Today 4 weeks ago was Buddy's funeral and I don't think there is a way I can explain the feelings. Love and prayers are all I know. Friends help so much. Linda
