“ I had the privilege of introducing Uncle Harry to my favorite teacher and then seeing that marriage produce wonderful cousins and friends. I spent time on the farm both with Harry and cousins. Those are some of my most cherished memories. I will always remember the house with the blue roof and the blue car (Aunt Pat's color). It was always great to reunite at reunions. I am glad that the Nichol name lives on as does Harry in our hearts. May God comfort all of you in this time and lift your spirits in thanks for wonderful memories.

“ Dear Pat and family, Jan and I want you to know that our thoughts and prayers are with you. We were saddened when we learned of Harry's cancer, and even more so with the news of his passing. He was a wonderful man. Though we didn't see each other often these last few years, we always enjoyed it when we did. He had a knack of making you feel like he had a special interest in what you were doing, almost like the two of you shared an inside joke. He was a pleasure to know, and will be missed. I hope the closeness of family and friends gives you comfort at this difficult time. Love, Jim and Jan Heaton
