“ I was searching online in hopes I could reconnect with my boss, Harry Rote, from UAL JFKIV office. A lot of time has passed, so I wasn't sure I could even locate him. I am sorry to find that he has passed. I remember he always spoke highly of his sons. I wanted to contact him and thank him for hiring me and reminisce about our UAL days. Enclosed is a picture I took of Harry at Mike Lynch's retirement party. They worked side by side at UAL. My sympathies to the entire Rote family. Dorothy Davies-Bukovac
