“ Dear Uncle Harry, You are hands down the most influential uncle a nephew could have. A decorated Marine, soldier, father and husband that gave all, and then some. Your unselfish acts towards others has paid you in full. I want to thank you, and Carol for all that both of you have done for us. I love you, see you on the other side Marine! Semper Fi.

“ Harry, even though I never met you I have been an acquaintance of two of your brothers, Patrick and Anthony, for a while now. I cannot imagine what they are going through for I have never been there. However, both of these guys have been good friends to me and all I have to say is that my prayers will go to the entire family. May God give them all the necessary strenght to make it through this difficult moment. So long Harry, hopefully we'll all get to hang out in heaven one day!

“ Sorry to hear that your brother Harry has passed. Even though I had only met him briefly while living in St. C. he seemed like a pretty cool guy who knew what he wanted out of life. To all his brothers and sisters you have my sympathy!!

“ Dear Sweet Family, My heart goes out to your family. I know Madeline from the School District and Pat from when our families attended church together years ago. May the Lord comfort your family during this time with the knowledge that your beloved brother is resting peacefully in the arms of Jesus. "But thanks be to God, who gives us the victory through our Lord Jesus Christ." 1 Corinthians 15:51 God bless! Love & Prayers, Ray and Kathy

“ I Can't believe you're gone, Harry. You were always so much fun to be around. No matter what kind of mood someone was in, when they were around you the sad or troubled mood became a happy time. You could bring out smiles in everyone. Even though you were feeling so bad you always manage to make people laugh and have a good time. You will truly be missed. Now you have been called home, to be with our Lord. I want to believe that he called you home to make Heaven a little happier and to make the Angels smile. I Love Harry, And I will miss you. “ My dearest brother, how you will be missed; you made us all laugh, now we are crying and the angels are laughing. May you have fun fishing every day.. and enjoy your outdoors as you always have. You are my hero, and such an honor for anyone to know you. As I said a prayer last night looking at the stars believing you are up there, guess what, there goes a falling star to let me know you answered me. God bless Carol my prayers and thoughts are with her also. I love and will miss you brother, we had such wonderful times and my memories are forever in my heart. Love to you from my heart to yours, you are loved.

“ My dearest Brother. I know that you were taken from us this past Sunday and I see how everyone is expressing thier sorrow, but as a Christian I know that this is all temporary. I know that physically your gone, but spiritually you are in my heart and my thoughts. I only wish that I had spent more times with you. I know that all things happen for a reason and I truly feel that you are in the presence of our Heavenly Father as well as Mom, Dad, and all of our relatives and friends who were taken from us. You were a good man, a fantastic friend and a wonderful Brother. Thank you for being there for me when I needed you. I will see you again, and until then may God Bless You and keep you. I'm gonna hang around and HANDLE IT until then! I LOVE YOU, Patrick
