“ Alan I am so sorry we didn't make it there today, mainly due to weather. Your mom was a wonderful friend to my mother. Mother just couldn't believe her friend Hazel was gone. I know she talked with you. She was so kind to me the last time my mother was in the hospital. We talked every day. She left me a gift of her washcloth and a hand towel. She Always thought of others . She was so delightful. My mother thought the world of her and her kindness. We are ALL lucky to have known your mom. She did so much for others. She will be greatly missed.
