“ How you tolerated our behaviour in your Sunday School class I never understood. It had to be only by your faith in God and knowing that we were all actually good boys. You have earned your just reward now at you are in the presence of our Lord and God. My sincerest condolences to those you have left behind.

“ I will forever remember the days spent with her in Sunday School Class. It takes a very special "LADY" who will take on the responsibility of teaching a bunch of teenage boys. She was one of the "rocks" supporting our Fruitland Park Methodist Church and I know she had a great deal of influence on "us boys" in how we lived our lives. Patsy and David can be very proud of their Mom. She will always have a place in my heart.
