“ *i pray you're at peace now, surrounded by all your loved ones who you missed so much. Thank you for teaching me forgiveness even when we feel we don't deserve it ourselves. I love and miss you with all my heart! I could never say it like you, even though you said I sounded like a little Slovak, Ľúbim ťa, I love you Nannie! God bless you! Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May they rest in peace.*

“ *My condolences to Lora and Glen, Marie and Edward and all her family. What can I say about my special friend Helen? She will be missed beyond words. She has forever touched my heart. She is a shining example of a Catholic Christian by her loving personality and sincere love for all she met. There was a visible place in her life and heart for our Lord Jesus Christ and His Mother Mary. Rest in Peace. North Campus will not be the same. Love you Helen*

“ As I celebrate your life and your ministry, I will always remember your Motherly love to myself, Helen Meyer, and of course 'your daughter' Marie. We all are blessed to have you for our 'Mom' and to be a witness to a healthy Christian life you instilled in us and so many others. I loved watching your relationship with your Grandson , Mark and his family and how your face would light up each time he phoned you. And the precious time you had when Katelyn came to visit you. You were more than just a Great Gramma , you were a GREAT Gramma. Your prayers, kind words, actions to your room mate, Gertrude and to the staff and residents at the nursing home are to be celebrated , as Jesus welcomed you into the kingdom saying, "Well done my good and faithful servant". Rest in sweet peace until we meet again. You are LOVE.

“ As I celebrate your life and your ministry to so many people....I reflex on Jesus as you entered into His loving arms and hearing him say to you, "Well done my good and faithful servant". Your life has inspired woman you called 'your daughters' , Helen M, Marie and myself to continue on with your journey of living a Christian life. I loved how your face would light up when your Grandson Mark would call and how your heart lite up when your Great Granddaughter Katelyn was able to come and visit you. You are more than a Great Aunt, Great Grandmother....you are GREAT and you are LOVED. You taught the power of forgiveness and the strength of being tolerable to those who harmed your heart with actions and words so unnecessary. Your life is to be commended by your love and service to your room mate, Gertrude and the staff at the nursing home. You empowered people to always do better. Your prayers were our 'hotline to heaven'. Rest in sweet peace honey bunny, until we meet again.
