“ *My husband and I would like to express our sincere condolences to the family and friends of your beloved Helen. No doubt, such loss of a dear lone will be felt by many who knew and loved her. We personally have found comfort, at a similar time in our lives, in what the Bible says at John 5:28,29 and Revelation 21:3,4. Here we read that soon, God is going to bring about a resurrection of our loved ones and do away with all causes we have for suffering, including sickness and death. Knowing this has brought us comfort and is our sincere hope that all of you may be comforted as well. Remember the experiences you shared together and learn from them, hold them dear to your hearts and cherish them.*
