“ *My beautiful Aunt Helen. You taught me what it is to be an aunt. You always had a smile, tons of hugs and kisses and those beloved words " I love you!" I like to think I was a good aunt to my two nieces and my nephew because you showed me how to be. You were so loved and appreciated and will be dearly missed!...Your Niece, Jill*

“ To Joe and family we send our love and support at this very sad time. Losing Helen has left a big void in our hearts, she was like a sister and all of you were like family to us. We laughed and danced a lot in most of the over 40 years that we have known you. We have been separated by many states in our later years but we never lost touch. We love you all and share the pain of losing a wife, mother and dear friend. Our sincere sympathy to all of you. God Bless you.
