“ There simply are no words to convey the sadness and great void now left in many of our lives and hearts! Let not our spirits, love, trust and faith in our Heavenly Father be questioned or doubted! The wonderful memories and there are oh so many to recall and I like all of you will cherish forever! Hearts are heavy indeed they are; however yours as mine is warm and full with our own precious memories! See you someday Aunt Helen and when I do; squeeze me in between you and Aunt Dot right next to my Mom! 🙏🙏🙏❤️🥹
