“ I love that word "sister", and all that it implies, unspoken intuition, unbroken family ties. The day that you were laid to rest, I felt my heart torn from my chest. I always looked up to you growing up and wanted to be just like you. Please know that I will love and miss you always and forever. The last contact we had was a text you sent me on my birthday, Dec 10, 2021, how could I have ever known that would be the last time. God bless your beautiful soul and spirit,
Pamela.
