“ *Patty touched so many of us with her smile and adorable personality. When I started line dancing at the square, she would help me with the steps and always found something nice to say. We did a lot of hugging in the recent months and I will forever be grateful that our paths crossed. Patty truly 'lit up a room' when she walked in ! We too, will miss her. Sending you all much love. “ *Dear Rick, Bil, JJ, Mary K. and Bif, Please know that those of us in New York who knew Patty extend our deepest condolences to all of you. We know how much support you gave her in the past 2 years of her battle. We cannot know all you've been through, but can only imagine the dismay you're feeling on the too-early loss of your spouse/sibling. We believe with you that she is in a better place and that we will see her upon our arrival. Her sense of humor and loyalty will always be treasured. With sympathy, Pat, Tina and Dianne*
