“ Helen and my mother were great friends. When mom got sick and moved to Crystal River so I could take care of her Helen sent my mom hand written notes on a regular basis. It meant so much to her and to me as well. She was a great neighbor and friend to my mother and my sister in law Theresa as well. Now the friends Helen, Mom & Theresa are together again and I am sure they are having a great visit. We love and miss you all. Love and blessing to Helen's family at this difficult time.

“ My childhood buddy. Years of playing paper dolls and having "Granddad" cookies and cheese at Granddad and Grandmother Phillippe's. You were a precious part of my growing up years and one of my favorite of the "notorious" 13 cousins. How blessed we are to know we will all be together again in time. You will truly be missed.

“ *My sweet, sweet friend you will be truly missed but oh my how I am sure you are so happy now to have that new body free of pain. I will be forever thankful that you came into our lives. You were such a blessing to my family every time we saw you. You had a way of keeping Al on his toes with your cans :). Jessica will forever have a place for you in her heart as she "Goes into all the world and proclaim the gospel to the whole creation. Mark 16:15 - with your guiding hand in her life. Joey loved helping you in your yard before he moved away. For myself your kind spirit, faithfulness, and love is what I will remember. We love you Helen and can't wait to see you again one day. To Carol and Phil - your mother was a wonderful lady and I know you will miss her I pray that you can take some comfort in the fact that she is free of pain and with Jesus now. If we can ever do anything for you please don't hesitate to ask. Love, Judy & Al Carroll, Joey & Jessica Wilson*
