“ What can you say about a man as wonderful as my uncle was. He was the first person I called when I needed to hear someone tell me everything was going to be alright. I will miss his laughter and the love he always had for everyone who needed it. Thank you for being there for me during one of my most darkest hours and letting me know it was ok to make mistakes. I will always love you and be grateful for the times that I had with you. You'll always be in my heart.
